TO: Board of Public Works

FROM: James Alexander, Street Dept. Fleet Manager

CC: Lindsay Downing

SUBJECT: Fleet Vehicle Purchases

DATE: April 23, 2024

The purpose of this memo is to request approval to replace four Ram 3500 pickups for the Street Department, due to them being beyond their serviceable life.

Background
The department needs to replace four pickup trucks due to their age and estimated costs for future repairs. The trucks are all 8 years old. We also have two Ford Rangers that are 2005 models that we will be trading toward the four new trucks.

Proposed Purchase
We have obtained three quotes for new trucks and trade in values for our outgoing vehicles. The best quote was from Don Hinds Ford, with a final cost of $133,860. The Ford F-350 pickups quoted meet our specifications. This purchase is part of our 2024 budget, and we have a purchase order from OFA that is attached to this request.

It is my recommendation to purchase four Ford F-350 pickup trucks from Don Hinds Ford as part of the 2024 Street Department annual budget.
