Re: Request for Vehicle Purchasing – Ford Explorer Interceptors (2 total)

The Noblesville Police Department is seeking Board of Works approval for the purchase of vehicles, as part of our annual fleet replacement. These new vehicles will support our efforts in maintaining a fleet replacement program, whereby our older vehicles (7-10yrs old) are decommissioned, and new vehicles are purchased, up-fitted and placed into service.

The vehicles to be purchased at this time are two (2) Ford Explorer Interceptor SUVs. This purchase would be made according to the requirements specified in IC 5-22-8-3. We have received three separate quotes from dealerships who deal in these types of vehicles identified. Based upon the quotes received, it was determined that Community Ford of Bloomington provided the lowest pricing for these two (2) Ford Interceptor SUVs needed. A summary of the quotes received are as follows:

Ford Explorer Interceptors (2 total)

**Community Ford of Bloomington - \$86,648.50**

Pearson Ford - \$90,196.32

Don Hinds Ford – declined

Attached with this document are the quotes received of all dealerships for your review (Exhibit A). Thank you for your consideration!

Sgt. Tragesser

Attached is the quote to build a 2023 Ford Explorer Police Interceptor Utility AWD with your included equipment.

I need to make sure you aware that Ford has not yet opened the 2024 order banks for builds and I cannot say for certain that they will still accept and build a 23 model.

But I wanted to get you the requested information and hopefully I will be able to earn your business and place your order for production as soon as Ford will allow.

Ford says that the pricing on the 24s should remain the same as the 23's. That is why I am comfortable with giving this quote at this time.

Please let me know if you have any questions.

Dan

You don't often get email from tgilkey@donhindsford.com. [Learn why this is important](#)

Sergeant Tragesser,

Thanks for contacting Don Hinds Ford. We appreciate the opportunity to help with your vehicle needs. John Colglazier asked me to follow up on your quote request.

Unfortunately, I can not get you a quote for new PI Explorers at this time. We just received the bulletin below.

Ford is only planning to build 2024's for a few months after the 1<sup>st</sup> of the year. And, the shortened 2024 model year will only be for carryover orders from 2023. They will not accept any new orders for the 2024 model. Reading the bulletin, it sounds like we won't be able to place new orders until the 2025 model opens later this year.

At this point we don't have any firm dates for the 2024 production run, or the 2025 order bank opening. In the bulletin, Ford says that the 2025 order bank will open in "late Fall 2023".

Likewise, we don't have the 2025 order guide or pricing, yet. I don't think we'll see that information released by Ford until the 2025 order bank opens. We'll be glad to get quotes and pricing once the information becomes available. Hopefully, that's just a couple months away.

By the way....if you're interested, the order bank for 2024 Police Responder F150's will open on 9/13. You might consider the F150 as an alternative to cover your immediate needs.

Please feel free to call or e-mail with questions, and comments. My contact info is below.

Respectfully,
