**DATE:** MARCH 26, 2024

---

I respectfully request from the Board of Public Works and Safety permission to temporarily close a portion of Promenade of Noblesville Parkway, between the intersection of Promenade Shops Boulevard and Little Chicago Road, for the installation of storm sewer as proposed for the Meijer Grocery at Promenade project. The closure is planned to begin on or after April 02, 2024, weather permitting. The anticipated duration is up to 2 days.

- A detour route will be posted in advance of the closure.
- Advance notice signs stating "Road Closure On/Or After xx/xx/2024" will be placed a minimum of one week in advance of the closure.
- Notice will be sent to public agencies informing them of the actual start of the closure.

A representative of the contractor, Fischer Excavating, is available to answer questions.

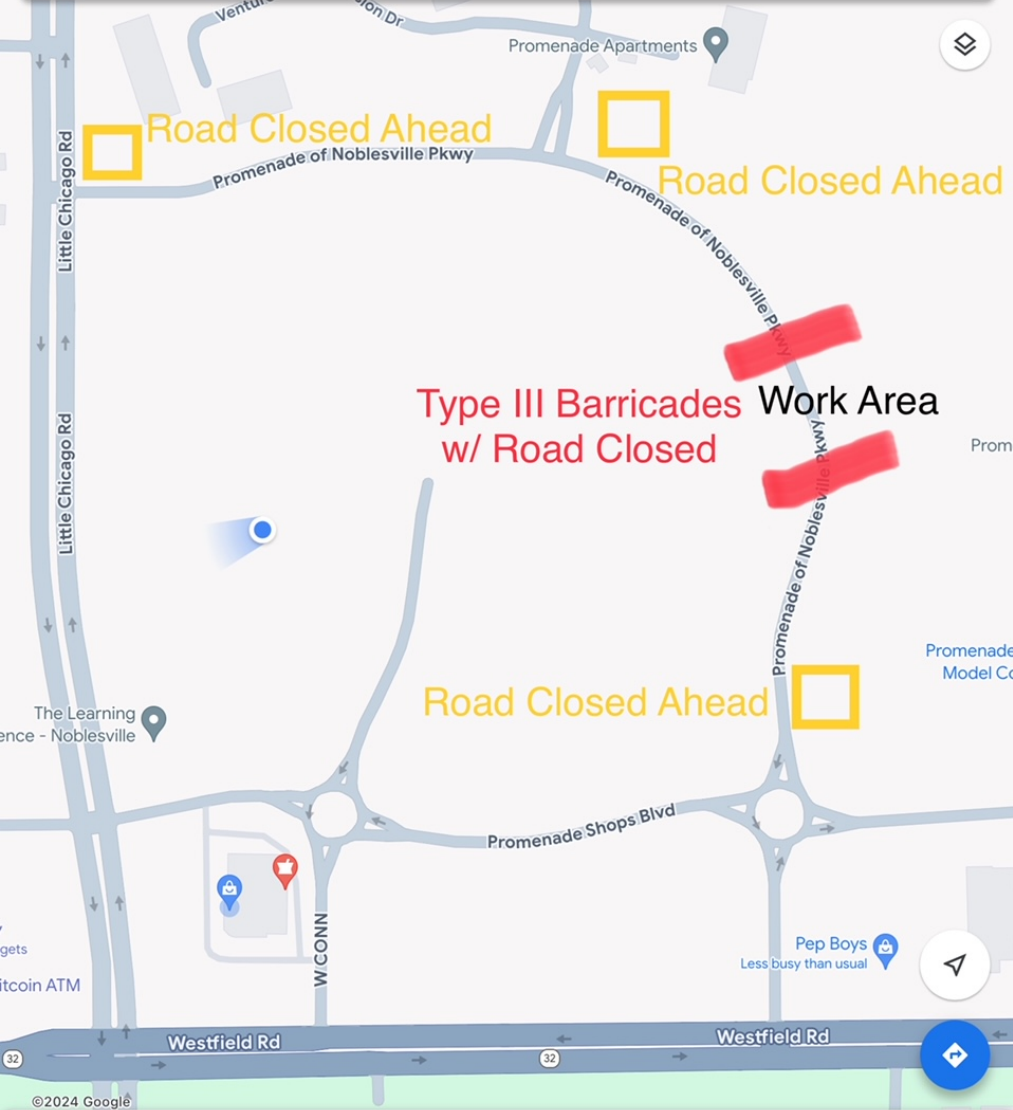

**I recommend the Board of Public Works and Safety permit the temporary closure of Promenade Shops Blvd for storm sewer installation for Meijer Grocery at Promenade.**

Your consideration in this matter is appreciated.
