TO: Board of Public Works
FROM: James Alexander, Street Dept. Fleet Manager
CC: Lindsay Downing
SUBJECT: Fleet Vehicle Purchases
DATE: April 23, 2024

The purpose of this memo is to request approval to replace four Ram 3500 pickups for the Street Department, due to them being beyond their serviceable life.

Background

The department needs to replace four pickup trucks due to their age and estimated costs for future repairs. The trucks are all 8 years old. We also have two Ford Rangers that are 2005 models that we will be trading toward the four new trucks.

Proposed Purchase

We have obtained three quotes for new trucks and trade in values for our outgoing vehicles. The best quote was from Don Hinds Ford, with a final cost of \$133,860. The Ford F-350 pickups quoted meet our specifications. This purchase is part of our 2024 budget, and we have a purchase order from OFA that is attached to this request.

It is my recommendation to purchase four Ford F-350 pickup trucks from Don Hinds Ford as part of the 2024 Street Department annual budget.

Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.
