DATE: APRIL 23, 2024

I respectfully request from the Board of Public Works and Safety permission to temporarily close a portion of 161st Street, between the intersections at Cherry Tree Road and Seminole Road, for the installation of a water main as proposed for the Magnolia Ridge Subdivision Section 1 project. The closure is planned to begin on or after May 29, 2024, weather permitting. The anticipated duration is up to 5 days.

- A detour route will be posted in advance of the closure.
- Advance notice signs stating "Road Closure On/Or After xx/xx/2024" will be placed a minimum of one week in advance of the closure.
- Notice will be sent to public agencies informing them of the actual start of the closure.

A representative from Magnolia Land Development LLC., is available to answer questions.

I recommend the Board of Public Works and Safety permit the temporary closure of 161st Street for installation of utilities for the Magnolia Ridge Section 1 subdivision.
