

TO: BOARD OF PUBLIC WORKS AND SAFETY
FROM: AARON HEAD, COMMUNITY ENGAGEMENT MANAGER
SUBJECT: 859 CONNER STREET – FAÇADE IMPROVEMENT GRANT
DATE: MAY 03, 2024

Attached is the Façade Improvement Grant Application submitted by Debbie LePere, building owner for the property at 859 Conner Street.

The total project cost is estimated at \$2,662 with a maximum grant of \$1,100. This particular application is considered a small projects grant and removal and replacement of exterior goose neck lights and addition of a day/night timer. A building owner may apply for up to two small projects grants in a calendar year, with the total grant amount not to exceed \$2,500 between the two projects. This is a second small projects grant for this location. The previous grant amount was \$1,400, with the remaining available funding max being \$1,100.

After completion, all façade improvements must be inspected by the Program Administrator to verify work has been completed according to the Façade Improvement Agreement. “After” photos and paid invoices itemizing all eligible costs will be submitted to the Mayor’s Office for verification. After all work has been completed and verified, funds will be disbursed.

If you have any questions prior to the meeting on May 14th, please feel free to contact me at 317-776-6324 or at ahead@noblesville.in.us.

Scott Lepere,

This is an estimate to replace building lights and a timer.

This estimate includes time and material we'll need to complete this job. The price could be more or less if more or less time or material is needed.

Total Estimate: \$1300.00

If you have any questions, please call Neil at 317-608-8185

Thank you for this opportunity,

Re: Exterior LED Lighting Installation

Dear Debbie,

Thank you for meeting with my Master Electrician on Wednesday morning to go over the exterior 2nd floor gooseneck HID lighting with a new LED retrofit system, supplied and installed by Ashpaugh Electric, and an option for LePere LLC to supply said fixture with all other items as quoted supplied by Ashpaugh Electric.

Please be advised that when supplying lighting fixtures, Ashpaugh Electric cannot warranty the lighting fixture as it is supplied by yourself. Ashpaugh Electric does certainly warranty all other connected items to be installed in the most professional quality fashion.

Please find below your detailed electrical quotation. We are honored to serve you and look forward to being of service to you in the near future.

Ashpaugh Electric, Inc. to provide all labor and materials to perform the following:

Option #1: Exterior LED Lighting Installation - Supplied by Ashpaugh Electric

- 2 - LED, RAB gooseneck type black lighting fixtures to closely match previously installed units
- 1 - digital timer control unit to operate new RAB gooseneck lighting automatically; time to be determined by LePere LLC for automatic - daily operation
- 2 - external environmental sealing of exterior exit points from structure at gooseneck locations
- 1 - high lift to reach working height on exterior of building
- 1 - electrical access permit through City of Noblesville
- 1 - all necessary fittings, fasteners, connectors, and termination devices to complete quotation as stated above
- 1 - testing of electrical circuitry and LED security lighting upon completion to insure proper circuit operation

Price: \$3,381.95
(Sales Tax Included)

Ashpaugh Electric, Inc.

Established 1965

17903 Sun Park Drive Westfield, IN 46074 317-896-2605

Option #2: Exterior LED Lighting Installation - Supplied by LePere LLC

- Let it be known that all items, as stated above, will apply with the exception of Ashpaugh Electric supplying the lighting fixtures
- LePere LLC to supply said gooseneck type lighting fixtures

Price: \$2,481.95
(Sales Tax Included)

NOTE: Working conditions at high lift location will be immediately in front of business.

NOTE: As stated above, Ashpaugh Electric cannot warranty lighting fixtures supplied by LePere LLC.
