**TO:** Board of Public Works  
**FROM:** James Alexander, Street Dept. Fleet Manager  
**CC:** Lindsay Downing  
**SUBJECT:** Shop Service Truck  
**DATE:** July 23, 2024

---

The purpose of this memo is to request approval to replace the Street Department shop service truck.

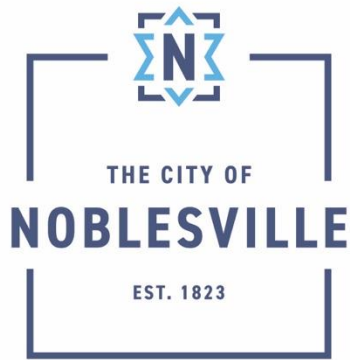

#### **Background**

The department needs to replace its existing service truck due to age and condition.

#### **Proposed Purchase**

We have obtained three quotes for a new service truck and the trade in value for our outgoing vehicle. The quote from Don Hinds is for a complete package. The quotes from Reading Trucks and from Mid-State Equipment are for service bodies only. The chassis would then be purchased separately. The best quote that met our specifications was from Don Hinds Ford, with a final cost of \$105,562. This purchase is part of our 2024 budget, and we have a purchase order from OFA that is attached to this request.

It is my recommendation to purchase a new shop service truck from Don Hinds Ford as part of the 2024 Street Department annual budget.

## **2024 Shop Service Truck Replacement**

### **Don Hinds Ford**

**MSRP Complete: \$120,561.50**

**Trade: \$15,000**
