WHEREAS, certain fiscal demands have developed since the adoption of the current Civil City annual budget so that it is now necessary to transfer appropriation authority within a fund without increasing or decreasing the overall appropriation authority.

WHEREAS, the Office of Finance & Accounting has need to enhance the process of processing accounts payable claims on behalf of the City.

WHEREAS, Business Purchasing Solution, LLC dba SpendBridge has developed a software which integrates with the City's existing accounting software to enhance efficiency of processing accounts payable.

WHEREAS, the Office of Finance & Accounting software licensing expenditures will increase with the implementation of the SpendBridge software.

WHEREAS, \$299,000 of that contingency reserve remains available.

WHEREAS, this is a request to reallocate appropriation authority for both a non-recurring purpose from non-departmental contingency by \$27,500 and for a recurring purpose from non-departmental contingency by \$5,750, which represents a one-time set up cost and one month of subscription cost, respectively.

WHEREAS, an appropriation transfer for a non-recurring purpose from non-departmental contingency does not increase the City's base budget for the ensuing fiscal year.
