

TO: Noblesville Board of Public Works and Safety
FROM: Brad Arnold, Assistant Chief of Police
SUBJECT: Board to Consider the 2025 Animal Services Agreement with the Humane Society for Hamilton County
DATE: December 17, 2024

This proposed agreement is the annual animal services agreement with the Humane Society for Hamilton County for the 2025 calendar year. As you are aware, this agreement provides for the overall care and shelter of unwanted animals that are delivered either by officers of NPD or relinquished by residents of Noblesville. The agreement covers the cost of shelter and care now for the first ten (10) days at their facility, at which time the Humane Society incurs all costs for the remainder of the animal's stay.

The agreement totals \$303,370.02, for the year, and it includes "exhibits" within the agreement which provide detailed cost breakdowns of how this overall amount was derived. Funding has been budgeted within the approved 2025 NPD Budget to handle these expenses.

I recommend the Board of Public Works approve this service agreement with the Humane Society for Hamilton County.

Humane Society for Hamilton County

City of Noblesville – Animal Control Services Agreement – 2025

This Agreement is entered into by the City of Noblesville, Indiana, a municipal corporation (hereinafter referred to as "Noblesville"), and the Humane Society for Hamilton County, Inc., an Indiana not-for-profit corporation (hereinafter referred to as the "Society").

WITNESSETH:

WHEREAS, the Society operates a shelter caring for the unwanted, abandoned and abused animals of Hamilton County located at 10501 Hague Road, Fishers, Indiana;

WHEREAS, by law, Noblesville is required to provide shelter to unwanted animals for seven (7) days;

WHEREAS, the Indiana legislature has mandated that animals released by animal shelters must be first spayed or neutered; and

WHEREAS, the Society and Noblesville wish to set forth an arrangement by which the Society will provide services to residents of Noblesville for the **seven (7) day period** required by law, **plus three (3) additional days of basic sheltering** to offset the costs of spaying and neutering.

NOW THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

1. **Term:** The original term of this Agreement shall be from January 1, 2025 to December 31, 2025.
2. **Definitions:**
 - a. "Unwanted Animal" is defined as (1) an animal delivered to the Society by a law enforcement officer of the County; or (2) an animal which is

delivered to the Society by a resident of the County, which is not owned or controlled by the resident, but is delivered by the resident in order that the animal may be treated humanely; or (3) an animal found in the County by a non-Hamilton County resident (e.g. an individual who works in the County, but does not live in the County); or (4) an animal surrendered to the Society by its owner, who resides within the County; or (5) an animal delivered to the Society by a representative of a business located in the County where an animal has been abandoned; (6) an animal abandoned on the property of the Society by unknown individuals.

- b. **“Adoption Returns/Returned Animals”** are those animals adopted from the Society who are returned by their owners for any reason. The Society accepts any animal who was adopted from the shelter at any point in time. “Returned” animals are included in our monthly reports for internal tracking purposes, however, the Society **DOES NOT** count adopted animals returned to the shelter within 90 days toward the County budget.
- c. **“Daily Cost of Care”** covers only costs associated with providing basic sheltering plus the portion of indirect costs shared by the ENTIRE County and the Society as calculated in the annual budget.

3. **Daily Cost of Care:** During the term of this Agreement, the Daily Cost of Care is **\$21.22/day per animal.**

4. **Services Provided:** The Society will provide shelter and care for unwanted animals, and Noblesville agrees to compensate the Society for the first seven (7) days of care required by the county ordinance, *plus an additional 3 days of basic daily care*, for all such

animals. Any costs of care for unwanted animals beyond the initial **ten (10) day** period will be borne by the Society. The Society covers 100% of the cost to spay or neuter all unaltered animals adopted from the shelter. The Society also covers the cost of life-saving medical care for stray and owner surrendered pets with **EXCEPTIONS NOTED IN SECTION 5.**

5. **Reimbursement for Services:** In exchange for the services provided by the Society under this agreement, Noblesville agrees to pay the Society the amount of **\$303,370.02** in twelve (12) equal installments of **\$25,280.84** commencing in January 2025. Neither party will be penalized at year end should the number of animals exceed the annual budgeted amount, nor if the number of animals is less than the budgeted annual amount.

6. **Reimbursement for Animals Brought to the Society by Animal Control/Law Enforcement Under the Following Circumstances:** Noblesville will appropriate additional funds required to cover the Society's costs to care for the following animals:

- a. **Animals seized by Law Enforcement/Animal Control, OR, per the Prosecutor's Office who are housed at the Society pending an investigation, trial, or any further action deemed necessary by the County.** The Daily Cost of Care, the cost of vaccines, and any life-saving or emergency medical care the Society deems necessary during the time the animal is held at our facility will be billed to Noblesville with reimbursement to the Society required within 30 days. It is up to Noblesville seek reimbursement from the owner via applicable citation(s) or bonding fees as they see fit.
- b. **Pet's Owned by Incarcerated Owners.** The Society DOES NOT cover the Daily Cost of Care OR medical care for pets owned by incarcerated owners. It is the responsibility of Law Enforcement/Animal Control to ensure the proper

documentation is signed by the owner at the time of arrest stating the animal will become the property of the Society if not claimed by the owner or other guardian approved by Law Enforcement within 10 days of animal intake/owner arrest according to Indiana's 10 day bonding process. The Society will bill Noblesville for the Daily Cost of Care, vaccines and any additional medical expenses incurred during the **10 day period** with reimbursement to the Society required by Noblesville within 30 days. Under no circumstances are the pets of incarcerated owners to be remain in limbo at the shelter beyond the 10 day period. If the animal should remain at the Society beyond the 10 day period for any reason because **Law Enforcement** has not secured an Owner Release form making the animal the property of the Society, OR, **Law Enforcement** has not identified an approved guardian to pick up the animal, the Society will continue billing Noblesville for the Daily Cost of Care and any other medical care required for the duration of the animal's stay. It is up to Noblesville to seek reimbursement from the owner via applicable citation(s) or bonding fees as they see fit.

- c. **Owned pets brought to the Society by Law Enforcement/Animal Control for "safe-keeping" due to emergency hospitalization (e.g., a senior living alone who falls) or animals involved in a car accident.** As a service to our community, the Society will cover the cost of vaccinations and the Daily Cost of Care for such animals for a period of 7 days. It is the responsibility of Law Enforcement/Animal Control to ensure the owner, or a representative of the owner, makes arrangements to pick up the pet by the 8th day. *If for any reason the pet is not claimed by day 8, the Society will charge Noblesville for the Daily*

Cost of Care starting on day 8 and until the pet is claimed. If the owner's pet requires emergency or life-saving medical care upon arrival, the Society will provide such care at no charge to the owner or to Noblesville *as long as* necessary care can be provided in-house. If an animal requires out-sourced, life-saving care (e.g. 24 hour hospitalization/ER services) that cost will be billed to Noblesville for reimbursement to the Society within 30 days. It is up to Noblesville to make arrangements for the owner to reimburse the city if so desired.

- d. **Owned pets brought to the Society by Law Enforcement/Animal Control for “safe-keeping” due to situations involving domestic violence, house fire, or other natural disaster resulting in the displacement of the owner and their pets.** As a service to the community, the Society will cover the cost of vaccinations and the Daily Cost of Care for a period of 7 days. It is the responsibility of Law Enforcement/Animal Control to ensure the owner, or an approved representative of the owner, makes arrangements to pick up the pet by the 8th day. *If for any reason the pet is not claimed by day 8, the Society will charge Noblesville for the Daily Cost of Care starting on day 8 and until the pet is claimed.* If the owner's pet requires emergency or life-saving medical care upon arrival, the Society will provide such care at no charge to the owner or to Noblesville *as long as* necessary care can be provided in-house. If an animal requires out-sourced, life-saving care (e.g. 24 hour hospitalization/ER services) that cost will be billed to Noblesville for reimbursement to the Society within 30 days. It is up to Law Enforcement/Animal Control to make arrangements for the owner to reimburse the city if so desired.

7. **Reports and Audits:** The Society will provide Noblesville with a monthly jurisdiction report detailing all owner surrendered pets and/or stray animals brought to the Society by a resident of Noblesville. Animals are counted for budgeting purposes toward the jurisdiction in which the owner/finder resides—*NOT where the animal was found*. The Society requires identification from all individuals attempting to bring an animal to the Society. While the Society looks up every residents' address in GIS to determine which jurisdiction an animal should be counted toward, the Society does not have access to the same resources Law Enforcement has to determine jurisdictions for addresses that are "on the line," OR may have a Noblesville address but is still considered part of another jurisdiction. It is the responsibility of the assigned city representative to review these monthly reports and let the Society know if an animal needs to be reassigned. The Society will always cooperate with any reporting questions and/or audit required by state or federal law, the City of Noblesville, and/or the Indiana State Board of Accounts or their respective designees as requested.

POSSIBLE OUTCOMES

There are basically 3 possible outcomes for the healthy animal at the end of the seven days. One is to place the animal for adoption, second is to euthanize the animal and third is the animal may be RTO'd (Returned to Owner) in the first 7 days. Below is the cost of these alternatives. In Exhibit A, the Humane Society uses the lower cost outcome of preparing the animal for adoption. Additional costs for euthanasia is added based on the expected number of euthanasia cases in 2025.

Indirect Costs Breakdown

This Exhibit calculates the Indirect Cost Per Animal and shows the total indirect costs shared between the County/Municipalities and HSHC. The County/Municipalities cover indirect costs for 7 days (1 week) of sheltering with their total shared expense calculated using an average number of weeks an animal stays in the shelter of 4.5 weeks, thus 22.2% of the total indirect cost (1 week / 4.5 weeks = 22.2%). This 22.2% of total indirect costs is further divided between the Counties/Municipalities based on percentage of use. Percentage of use is calculated by dividing the budgeted number of animals per jurisdiction by the total budgeted number of county animals.

To Whom It May Concern:

Humane Society for Hamilton County has entered into a Co-Employment Agreement with WorkSmart Systems, Inc. via a client service agreement. This allows Humane Society for Hamilton County to outsource all payroll and HR functions to WorkSmart Systems, Inc.

WorkSmart Systems, Inc. is an IRS Certified Professional Employer Organization in the state of Indiana, employing over 12,000 employees across approximately 420 individual client companies and 46 states ranging in size from 1 employee to over 400. Professional Employer Organizations (PEO's) enable clients to outsource the management of human resources, employee benefits, and payroll services.

When entering into a PEO relationship, the PEO is considered the employer of record and all taxes and payroll forms are prepared in the name of the PEO. As a result of this "co-employment" relationship, WorkSmart Systems, Inc. prepares all employee pay checks, W-2's and tax filings as a single employer, is considered the employer of record for unemployment insurance filings, and offers large-group employee health and wellness programs to all eligible co-employees. As a result, no tax filings exist specifically for employees of Humane Society for Hamilton County under their tax ID number(s).

Contractually, WorkSmart Systems does not have the right to take any operational control over Humane Society for Hamilton County and the business is free to operate in the way it sees fit. In addition, all employees of Humane Society for Hamilton County remain employees of Humane Society for Hamilton County and the work they do for the organization does not change by nature of this relationship. WorkSmart Systems simply becomes the "employer of record."

Additionally, WorkSmart Systems is a registered E-Verify employer (ID: 435992) and verifies all client's new hires through the E-Verify system. WorkSmart, through consultations with NAPEO (National Association of Professional Employer Organizations) and its team of immigration and PEO attorneys, has taken the position that registering as the employer and verifying all new hires satisfies the reporting requirements of SEA-590.

1) This option may only be selected AFTER the adoption of the subsequent year budget. OFA will create a PO after the start of the next year. If contract details change in between form submission and the start of the year, contact OFA Staff.

2) This option may only be selected in unusual circumstances. An additional FVF will need to be submitted to OFA once funding source has been determined. OFA will not create a PO until this follow-up form has been submitted.

3) These funds are not appropriated through the annual budget process. They include but are not limited to grant funds and impact fee funds.

Are you requesting that a Purchase Order (PO) be created for this expenditure?

- Yes Select for all purchases/contracts that will not be paid immediately
- No Select ONLY if department plans to initiate payment immediately

Additional Comments: _____

The Department certifies that sufficient appropriation authority exists in the stated fund and expense series to obligate the expense for future payment.
