We are requesting that 141st Street must be closed for 7 days to install the 15” sanitary main extending to the North of 141st Street. We anticipate the closure to begin on or after 03/31/2025 weather permitting.

- A detour route will be posted in advance of the closure.

I recommend the Board of Public Works and Safety permit the temporary road closure of 141st Street for sanitary sewer installation for Innovation Mile.
