

TO: Board of Public Works
FROM: Kristyn Parker, Project Coordinator, Utilities
SUBJECT: Approval of Services Agreement with CHA Consulting, Inc. for an Advanced Energy Audit
DATE: March 25th, 2025

Utilities is requesting approval of a Services Agreement with CHA Consulting, Inc. for a fee of \$120,000 for an investment grade energy audit.

The work will focus on the wastewater treatment plant as well as other City-owned buildings. The Mayor's Office and the Utilities Department has been coordinating closely with CHA to fashion a scope of work that meets the City where it is currently and evaluating existing known major energy sinks. Additionally, CHA will identify, screen, and preliminarily size promising strategies and technologies to capture available energy and fully utilize potential assets. The report will provide a high-level set of strategies and a roadmap for the City moving forward as we strive for efficiencies and energy independence with a goal of reduced long-term utility rates.

The work will entail a team of wastewater engineers and professionals to focus on Energy Efficiency Measures and perform energy efficiency audits that will focus on:

- Assessing existing conditions and deficiencies;
- Identifying opportunities for improvement, related savings, implementation costs, payback calculations, and schematic-level designs;
- Summarizing available funding incentives and potential market offsets that may be key to support future capital project financing.

Thank you for your consideration.

5.11 Disputes. Contractor shall carry on all work required under this Agreement and maintain the schedule for services during all disputes or disagreements with City. No work shall be delayed or postponed pending resolution of any disputes or disagreements except as Contractor and City may otherwise agree in writing. Should Contractor fail to continue to perform its responsibilities as regards all non-disputed work without delay, any additional costs incurred by City or Contractor as a result of such failure to proceed shall

be borne by Contractor, and Contractor shall make no claim against the City for such costs. City may withhold payments on disputed items pending resolution of the dispute.

- 5.12 Non-discrimination. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age or national origin. - 5.13.2 For purposes of compliance with IC 36-1-21, Contractor certifies and warrants to City that Contractor, or a person who wholly or partially owns Contractor, is not a relative, as that term is defined by IC 36-1-21-3, of an elected official of Noblesville, Indiana.
- 5.14 Non-contingent Fees. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees. For breach or violation of this warranty City shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
- 5.15 Force Majeure. In the event that either party is unable to perform any of its obligations under this Agreement – or to enjoy any of its benefits – because of fire, explosion, power blackout, natural disaster, strike, embargo, labor disputes, war, terrorism, acts of God, acts or decrees of governmental bodies or other causes beyond such party’s reasonable control (hereinafter referred to as Force Majeure Event), the party who has been so affected shall immediately give notice to the other and shall take commercially reasonable actions to resume performance. Upon receipt of such notice, all obligations under this Agreement shall immediately be suspended except for payment obligations with respect to service already provided. If the period of nonperformance exceeds sixty (60) days from the receipt of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Agreement.
- 5.16 Applicable Laws; Forum.
- 5.16.1 Contractor agrees to comply with all applicable federal, state and local laws, rules, regulations or ordinances, and all provisions required thereby to be included in this Agreement are hereby incorporated by reference. This includes, but is not limited to, the Federal Civil Rights Act of 1964 and, if applicable, the

Drug-Free Workplace Act of 1988. The enactment of any state or federal statute or the promulgation of regulations thereunder after execution of this Agreement shall be reviewed by City and Contractor to determine whether the provisions of the Agreement require formal modification.

- 5.16.2 This Agreement shall be construed in accordance with the laws of the State of Indiana, and by all applicable Municipal Ordinance or Codes of the City of Noblesville, County of Hamilton. Suit, if any, shall be brought in the State of Indiana, County of Hamilton.
- 5.17 Waiver. City's delay or inaction in pursuing its remedies set forth in this Agreement, or available by law, shall not operate as a waiver of any of City's rights or remedies.
- 5.18 Severability. If any provision of this Agreement is held to be invalid, illegal, or unenforceable by a court of competent jurisdiction, the provision shall be stricken, and all other provisions of this Agreement which can operate independently of such stricken provisions shall continue in full force and effect.
- 5.19 Attorneys' Fees. (RESERVED)
- 5.20 Successors and Assigns. City and Contractor each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement; except as otherwise provided herein, Contractor shall not assign, sublet or transfer its interest in this Agreement without the written consent of City. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of City or the Contractor.
- 5.21 Authority to Bind Contractor. Notwithstanding anything in this Agreement to the contrary, the signatory for Contractor represents that he/she has been duly authorized to execute agreements on behalf of Contractor and has obtained all necessary or applicable approval from the home office of Contractor to make this Agreement fully binding upon Contractor when his/her signature is affixed and accepted by City.
- 5.22 Debarment and Suspension
- 5.22.1 Contractor certifies, by entering into this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from or ineligible for participation in any Federal assistance program by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Agreement means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor.
- 5.22.2 Contractor certifies, by entering into this Agreement, that it does not engage in investment activities in Iran as more particularly described in IC 5-22-16.5.

- 5.22.3 Contractor shall provide immediate written notice to City if, at any time after entering into this Agreement, Contractor learns that its certifications were erroneous when submitted, or Contractor is debarred, suspended, proposed for debarment, declared ineligible, has been included on a list or received notice of intent to include on a list created pursuant to IC 5-22-16.5, voluntarily excluded from or becomes ineligible for participation in any Federal assistance program. Any such event shall be cause for termination of this Agreement as provided herein.
- 5.22.4 Contractor shall not subcontract with any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in any Federal assistance programs by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana.
- 5.23 Compliance With E-Verify Program. Pursuant to IC 22-5-1.7, Contractor shall enroll in and verify the work eligibility status of all newly hired employees of Contractor through the E-Verify Program (“Program”). Contractor is not required to verify the work eligibility status of all newly hired employees through the Program if the Program no longer exists.
- 5.23.1 Contractor and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that Contractor or its subcontractor subsequently learns is an unauthorized alien. If Contractor violates this Section 5.23, City shall require Contractor to remedy the violation not later than thirty (30) days after City notifies Contractor. If Contractor fails to remedy the violation within the thirty (30) day period, City shall terminate the contract for breach of contract. If City terminates the contract, Contractor shall, in addition to any other contractual remedies, be liable to City for actual damages. There is a rebuttable presumption that Contractor did not knowingly employ an unauthorized alien if Contractor verified the work eligibility status of the employee through the Program.
- 5.23.2 If Contractor employs or contracts with an unauthorized alien but City determines that terminating the contract would be detrimental to the public interest or public property, City may allow the contract to remain in effect until City procures a new contractor.
- 5.23.3 Contractor shall, prior to performing any work, require each subcontractor to certify to Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and has enrolled in the Program. Contractor shall maintain on file a certification from each subcontractor throughout the duration of the Project. If Contractor determines that a subcontractor is in violation of this Section 5.23, Contractor may terminate its contract with the subcontractor for such violation.
- 5.23.4 Pursuant to IC 22-5-1.7 a fully executed affidavit affirming that the business entity does not knowingly employ an unauthorized alien and confirming Contractor's enrollment in the Program, unless the Program no longer exists, shall be filed with City prior to the execution of this Agreement. This Agreement shall not be deemed fully executed until such affidavit is filed with the City.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates subscribed below.
