

NOBLESVILLE PARKS & RECREATION STAFF

Sherry Faust started part-time with the Parks Department in September 1998 before going full time in September 1999. She first started as Secretary and now holds the position of Office Manager.

After hours, she enjoys spending time with her husband, reading, and working on family genealogy; she also has one grown son. Sherry often tells others how lucky she is to drive through a park on her way to work every day, and she enjoys watching the seasons change in Forest Park.
