This project the Sun Room Addition had been occupied prior to the required Final inspection. This space has been clearly occupied prior to having the required life safety installations in place ,with that being said it has been decided to imposes the required fee of \$3000.00 for occupancy without a final inspection.

This required fee must be paid and a final inspection must be scheduled through this office.

Thank you in advance for your cooperation on this matter.

Sheposh, Daniel (Inspector)
