Recorded as Presented

ORDINANCE NO. 57-11-17

AN ORDINANCE AMENDING THE UNIFIED DEVELOPMENT ORDINANCE NO. 62-12-95 AS AMENDED, A PART OF THE COMPREHENSIVE MASTER PLAN FOR THE CITY OF NOBLESVILLE, HAMILTON COUNTY, INDIANA

An Ordinance to amend the Unified Development Ordinance and all amendments thereto for the City of Noblesville, Hamilton County, Indiana, enacted by the City of Noblesville under the authority of Chapter 174 of the Acts of the Indiana General Assembly 1947, as amended, and

WHEREAS, the Plan Commission of the City of Noblesville has conducted a public hearing on Application No. 000164-2017 as required by law concerning the establishment of a 'Government Use Overlay District' for the Hamilton County Judicial Center, all a part of the Unified Development Ordinance and after due consideration by the Plan Commission has sent a favorable recommendation for adoption to the Common Council with a vote of nine (8) ayes, zero (0) nays, and zero (0) abstentions at the November 13, 2017 meeting, and

NOW, THEREFORE, BE IT ORDAINED by the Common Council of the City of Noblesville, Hamilton County, Indiana, meeting in regular session, that the Unified Development Ordinance and specifically the Hamilton County Judicial Center Planned Development, and all amendments thereto are hereby amended as follows:

SECTION 1. That the subject real estate located at One Hamilton County Square, north of Conner Street, west of South Eighth Street, south of Logan Street, and east of the White River and legally described as per attached Exhibit 1 (legal description) is located within the zoning jurisdiction of the City of Noblesville, Hamilton County, Indiana. The property is currently zoned "DT Downtown" zoning district and "FH Flood Hazard" zoning district.

SECTION 2. That this Ordinance shall establish a "Government Use Overlay" district in conjunction with the "DT Downtown" and "FH Flood Hazard" zoning districts to create a zoning district of "DT-FH/GUO Downtown and Flood Hazard Government Use Overlay" zoning district. This ordinance shall also incorporate as a part of the approval the attached preliminary development plans and architectural building renderings as per attached Exhibit 2 – Preliminary Development Plan and Architectural Renderings. That said building materials shall include brick, granite, and limestone veneers matching the existing building. That the preliminary development plan indicates an addition to the existing building consisting of a 33,000-square foot footprint matching the approximate height of the existing structure and the creation of an outdoor patio space. One waiver is hereby granted as part of the adoption of said ordinance to include a maximum height of the building at 62-feet.

SECTION 3. Unless a development standard, specification, and/or requirement contained in the Unified Development Ordinance is varied, altered, or modified by this ordinance and/or exhibits, then such development standards, specifications, and/or requirements as specified in the Unified Development Ordinance shall apply.

SECTION 4. This Ordinance shall be in full force and effect from and upon its adoption and publication in accordance with the law. All prior ordinances or parts thereof

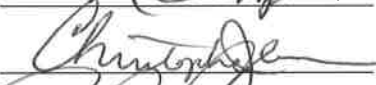

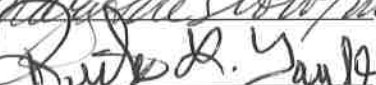

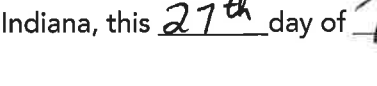

in conflict therewith are repealed and deemed to conform to the provisions of these amendments.

SECTION 5. Upon a motion duly made and seconded; this Ordinance was fully passed by the members of the Common Council on this 21st day of November, 2017.
