Dear Neighborhood Watch Participants,

The crime problem in our nation is both costly and demoralizing. Directly or indirectly, we are all affected by crime that has caused injury, financial loss, and intimidation. These situations vividly demonstrate the need for community involvement and assistance in crime prevention, reporting, and efforts in the Noblesville Police Department's Neighborhood Crime Watch Program.

This community-based crime prevention program is a simple and direct approach toward protecting our community from criminal attacks. The program involves the reduction of criminal opportunity through citizen participation in crime prevention measures such as being alert and aware, reporting suspicious and criminal activity to the police, and initiating actions which reduce criminal activity.

We applaud and depend on the concern and involvement you and your neighbors display with your Neighborhood Crime Watch efforts. The Noblesville Police Department will assist and support you with this program. For additional information, please contact Sergeant Marley Pagel at 317-776-6340 or via email at mpagel@noblesville.in.us.

Again, I welcome and appreciate your efforts toward making Noblesville a safer place to live and visit.

John Mann
Chief of Police
